

**Rose Teding, President**

Can you believe it! It's already March. 2021 is rolling along. We're still following

Covid-19 protocols, but this year is just going a little faster. Well, let's take advantage of whatever opportunities come our way and let's have some fun. On page 3 is a list of ideas we came up with at our January meeting. I hope you are ready to have a fun, productive Spring into Summer! Stay posted on our Facebook page and Website for what's happening in the club.

First Vice President**

In our student art shows, every student is a winner! The teachers told us that the district arts program was limited. So we helped by rewarding the students with art supplies. Ribbons and certificates are reward at district and state art shows. During Covid-19, there were no art shows at Palomar District and CFWC. Students and teachers from the Oceanside OUSD followed through with 107 entries from kindergarten to our Junior High classes. All of these students are winners receiving art supplies as used in their artistic entries.

Now we prepare for the 2021 student art shoe. When school begins reminders are sent to the schools. Posters and announce-

# FISHER HOUSE

## WCO SUPPORTING OUR MILITARY FAMILIES

The Woman's Club of Oceanside, Inc. is dedicated to supporting the families who have military members in the hospital. We welcomed Stephanie Herrigan who spoke about Fisher Houses' "a home away from home" for families of patients receiving medical care at major military and VA medical centers. There are 90 homes through out the United States. Members of WCO donated dry goods, supplies and food and made monetary donations to the Fisher House on Camp Pendleton. The donation is dedicated to our member Mary Lou Voigt who had served in the Marines for may years. Thank you Valerie Pemberton for chairing the Fisher House Project, Gayle Lacy and to all those who contributed to its success. Special Thanks to Stephanie Harrigan for speaking to the club about Fisher House.

ments are created and personally delivered to the schools when the date and theme for the Palomar District Art Festival is decided. Helpful reminders are delivered prior to the winter school vacations each year. In February, the students' artwork is collected, mounted and judged by our club members. Then, each student entry has the opportunity to be a winner this year just as our high school student artist who won the \$500.00 scholarship in 2019.

Looking forward to what the talented young artists can create in our community!

**Who & What We Support**

*FISHER HOUSE.....*

Fisher House offer accommodations to military families while their loved ones are in the hospital. Our club contributes to the comfort in which we will be donating goods at the end of this year. Donated items: toilet paper, paper towels, napkins, utensils, etc. We are looking for a chairman to lead this project. Call 760-405-7472 for more info.

*WRC.....*

WCO donated 26 purses filled with toiletries to the WRC last May. Each purse contained items such as shampoo, conditioner, body wash, brush, soap, etc. The staff from the WRC thanked our club for our generosity and help. We will continue to collect small purses this year with contributions to be delivered in May. At that time, our club will tour the facility. Contact Ysela Sharp @ 760-715-2113 for more info.

*PENNIES FOR PINES.....*

At Thursday meetings, we collect monetary contributions for Pennies for Pines. Our donations have contributed to more than 2 million pine, fir, redwood, and giant sequoia seedlings being planted on 88,000 acres of National Forest land in California. Let's continue our contribution in the area of conservation to help pay for this needed planting.
